

# OUTDOOR EVENT REQUIREMENTS

## SHELTER & SETUP

We require a shelter to shield our team and equipment from the elements—be it rain, wind, or sun—enabling us to effectively carry out our operations.

In the event that an indoor location is unavailable, we will need the following provisions:

- **A sturdy gazebo** securely anchored, with three enclosed sides, or an alternative shelter structure offering comparable protection.
- **3 square meters per booked artist** to ensure ample workspace and accommodation for the attending public

We require a designated area where the public can line up for our services without causing any obstruction

While it's not mandatory to provide queue barriers, we highly recommend their use to maintain order and efficiency

## OTHER

- We kindly request designated parking accommodations for our scheduled artists in close proximity to the setup area, given the substantial equipment our artists often need to transport
- Please ensure a helper is available to assist with closing our line at the conclusion of the event. Coordinate with artists 30 minutes before the scheduled finish time to facilitate smooth communication with the public and ensure timely conclusion of services
- We often request your assistance in providing trestle tables and chairs for our artists to use. While some of our artists come equipped with their own, we will inform you well in advance regarding any specific requirements

## CANCELLATIONS

- We uphold a steadfast "**Rain or Shine**" commitment. We highly recommend securing an indoor backup venue ahead of time to ensure your event proceeds seamlessly in case of inclement weather
- Unfortunately, we are unable to reserve alternative dates, commonly referred to as "rain dates," for events. This policy is in place because holding a slot open for a specific event means we may miss out on opportunities to accommodate other bookings during that time
- In the event of a cancellation occurring within 6 days prior to the scheduled event, the full fee will be required. This policy is essential for us as this work sustains our livelihood. Your understanding and cooperation are deeply appreciated
